It's Week 11 - No More Subs or New Players

For the remainder of the season, Rules 16B, 17D and 19C are in effect. That means that all postponements require the approval of a managing director (emails to director@wadadarts.org go to both of us) and you may no longer use subs or add new shooters to your roster.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Please check your rosters on our website to make sure that every player on your squad has their name spelled correctly and that everyone you have added is on there and that you have paid for any added players.

In order to be eligible to play in either the Playoffs or Championships, you must play a minimum of 3 nights. This means that you must play on 3 separate nights in a spot where you name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D-B at the bottom and wondered what they were for? They stand for Triples, Doubles and Beds. There are a number of cricket, halve-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

01	CRICKET	02
	20	
	19	
	18	
	17	
	16	
	15	
	C	
	T	
	D	
	3B	

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple twenty will finally count for something).
