It's Week 10 - No More Subs or New Players

For the remainder of the season, Rules 16B, 17D and 19C are in effect. That means that all postponements require the approval of a managing director (emails to director@wadadarts.org go to both of us) and you may no longer use subs or add new shooters to your roster.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Please check your rosters on our website to make sure that every player on your squad has their name spelled correctly and that everyone you have added is on there and that you have paid for any added players.

In order to be eligible to play in either the Playoffs or Championships, you must play a minimum of 3 nights. This means that you must play on 3 separate nights in a spot where you name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.
