3 More Weeks! 3 More Weeks! 3 More Weeks!

We have three weeks to get everything done! So for all the election, hurricane and Halloween makeups, please make sure you have verified the dates with your sponsor, opponents, and the captains of any sister teams (that play in the same bar) so we avoid double bookings and no shows. Please confirm and CC me in the email if you remember or if you need help finding a date and location. And please remember that we are now after Week nine so...

It's Week 11 - No More Subs or New Players

For the remainder of the season, Rules 16B, 17D and 19C are in effect. That means that all postponements require the approval of a managing director (emails to director@wadadarts.org go to both of us) and you may no longer use subs or add new shooters to your roster.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Please check your rosters on our website to make sure that every player on your squad has their name spelled correctly and that everyone you have added is on there and that you have paid for any added players.

In order to be eligible to play in either the Playoffs or Championships, you must play a minimum of 3 nights. This means that you must play on 3 separate nights in a spot where you name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

Deadline to add players was November 10th

Only players listed on the WADA website on your roster will be eligible for awards and the post season. If you still need to add a player or are missing players make sure that you submit an add player form and post a payment. WADA accepts echeck from your checking account (no fee) and PayPal at <http://www.wadadarts.org/RosterPayPal.asp>. It is your responsibility to make sure that your roster has all of your players and their names are spelled correctly. This includes updating your contact information as the captain. Please let us know if there are any changes to your roster. Send any Add Player forms and questions regarding your roster to roster@wadadarts.org.

Next Board Meeting is December 2nd

The next meeting of WADA's board of directors will be on Sunday, December 2nd at 1:00pm. We will be at Limerick Pub, 11301 Elkin St, Wheaton, MD 20902, 301 946-3232 <http://www.thelimerickpub.net>. This meeting will include officer elections. We are always on the lookout for anyone interested in helping out with dart events including working with the ADO, youth events, charity events and Flight Schools. If you are interested in working with WADA either as an officer, volunteer or vendor, please contact your area board member or send an email to board.chairman@wadadarts.org.

About Penalties and Forfeits

The way the formula for penalty points were tabulated previously made it so that subsequent penalty points actually were worth less than the first. This was unintended so we have changed the way that penalty points are calculated into the percentage so that additional penalty points will count the same as a percentage of a penalty. The formula is now (Wins-Penalty Points) divided by (Wins+Losses), instead of the previous formula, which was Win Points divided by (Wins+Losses+Penalty Points).

Also, a team is only allowed one forfeit before Week Nine. A second forfeit prior to week nine, or any forfeit after Week nine will result in the team being dropped. If you have two players, your team can legally play the match. We strongly encourage you to play, even if you think the point differential will be worse. Forfeited matches are a technical penalty for which the opposing team receives the wins (based on current team win percentage times the number of games in the match) and zero (0) losses, and the forfeiting team receives the losses (based on current team loss percentage times number of games in the match) and zero (0) wins.

Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D -B at the bottom and wondered what they were for? They stand for Triples, Doubles and Beds. There are a number of cricket, halve-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple twenty will finally count for something).
