## Playoff Etiquette and Reporting Scores

Postseason matches are a race to 20. Once a team achieves 20 points the match is over. Additionally, if both teams reach 17 points in the match and the team game will determine the match, games currently being played should be stopped and team game should begin within a reasonable time.

Playoff Brackets have been emailed and we will email and post the brackets for the final playoff week as soon as they are ready. There will be no Weekly for next week. Playoffs are a race to 20 and once reached, the match is over. You may simply call in your score but fax or email it if you have highlights. Be sure to check the bracket for potential double bookings at your host establishment and contact us if you see an issue. Good Luck!

## Once Used Winmau SFB Boards Available

The Winmau SFB (Staple Free Bull) Boards used for the ADO Regional's on March 17th are available right now and we have 19 for resale. These are not the Winmau Blade4 boards but the lower costing Winmau SFB boards. The price is \$30 each or \$100 for a box of 4. Let your sponsor know.

### Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D-B at the bottom and wondered what they were for?

They stand for Triples, Doubles and Beds. There are a number of cricket, halve-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple twenty will finally count for something).

### Games People Play: Fifty-One in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 (20+20+5=45 45/5=9). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.

Tips? Find the 5-wedges. The two best places on the board to throw are at the 20/5 area or the 10/15 area. Each of these areas give a nice wide target where hitting either number leaves you divisible by 5. Of course, you could also throw single and double bulls!
