The Fall Monty is Nov 16-17 @ Eagles

WADA will be hosting The Fall Monty Dart Tournament November 16-17 at the Eagles Club in Gaithersburg, MD. This is a great opportunity for local dart shooters to get a feel on shooting in a tournament setting without as many touring national and international shooters that normally attend our Washington Area Open, since there are no ADO points and the prizes are not as high typically. Check the flyer and invite your friends. Most events have an 80% Payback guarantee, although we have a 100% payback for ladies' singles and doubles. Come enjoy a weekend of darts with multiple events in a familiar setting and please help us promote by passing out flyers to teams and friends.

Singles Stats, Leagues and ADO Qualifiers

After many seasons hiatus, we are proud to announce the return of Singles Stats. You will find pages and pages of percentages. These are based on scoresheets that have been turned in and properly filled out. To make things easier feel free to put your shooters singles record for the match in their highlights. In addition to Wins and Losses a person has been credited with a match played if they were listed in either singles or doubles so you can check and make sure they've played the required three matches.

This winter we will be running, promoting and listing standings for the Winter Winmau Masters Singles League, which is the singles league that double as a qualifying vehicle for our shooters for the ADO Winmau Masters National Regional which is traditionally held at Mighty Mikes in March. Due to tons of input and inquiries from our members we are going to expand the Winter events to include separate ADO Qualifiers and will be organizing additional Singles Leagues that can be independent of the ADO Qualifiers. Please see the spread on page 7 and email us if you are interested.

It's Week 11 - No More Subs or New Players

Rules 16B, 17D and 19C are in effect for the remainder of the season. Postponements require the approval of the executive director and you may not use subs or add shooters. Check your rosters on our website to make sure that every player is listed correctly and that you have paid for added players. To be eligible for the postseason, you must play a minimum of 3 separate matches in a spot where your name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Next WADA Board Meeting is Sat, Dec. 7

The next board meeting will be held Saturday, December 7th at 1PM at The Bungalow, Chantilly, VA. All members are welcomed to attend and we encourage members to attend meetings in your region. If you have business for the board, are interested in helping promote darts or just want to be involved, please join us! Subsequent meetings are tentatively scheduled for 1/11 1PM at Jakes in DC, February VA East, March in MD.

Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D-B at the bottom and wondered what they were for? They stand for Triples, Doubles and Beds. There are a number of cricket, half-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple twenty will finally count for something).
