## Proposed Rule Change for Championships

A rule change has been proposed that would alter championships into two phases that would include Regional Championships which would be held in the respective region and then each regional champion from each level would compete in the League Championship. View the proposed [Rule Change](#). The Board will vote at it's December meeting with the change effective for Winter 2014 season. Contact your [Regional Director](#) with questions and comments. <http://www.wadadarts.org/Rules/2013%20Championships.pdf>

## Singles Stats, Leagues and ADO Qualifiers

After many seasons hiatus, we are proud to announce the return of Singles Stats. You will find pages and pages of percentages. These are based on scoresheets that have been turned in and properly filled out. To make things easier feel free to put your shooters singles record for the match in their highlights. In addition to Wins and Losses a person has been credited with a match played if they were listed in either singles or doubles so you can check and make sure they've played the required three matches.

This winter we will be running, promoting and listing standings for the Winter Winmau Masters Singles League, which is the singles league that double as a qualifying vehicle for our shooters for the ADO Winmau Masters National Regional which is traditionally held at Mighty Mikes in March. Due to tons of input and inquiries from our members we are going to expand the Winter events to include separate ADO Qualifiers and will be organizing additional Singles Leagues that can be independent of the ADO Qualifiers. Please see the spread on page 7 and email us if you are interested.

## It's Week 12 - No More Subs or New Players

Rules 16B, 17D and 19C are in effect for the remainder of the season. Postponements require the approval of the executive director and you may not use subs or add shooters. Check your rosters on our website to make sure that every player is listed correctly and that you have paid for added players. To be eligible for the postseason, you must play a minimum of 3 separate matches in a spot where your name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.
