## It's Week 12 - No More Subs or New Players

For the remainder of the season, Rules 16B, 17D and 19C are in effect. That means that all postponements require the approval of the executive director and you may no longer use subs or add new shooters to your roster.

**16B Addition of New Players.** No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

**17D Substitutes.** No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

**19C Postponements.** All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Please check your rosters on our website to make sure that every player on your squad has their name spelled correctly and that everyone you have added is on there and that you have paid for any added players.

In order to be eligible to play in either the Playoffs or Championships, you must play a minimum of 3 nights. This means that you must play on 3 separate nights in a spot where you name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

## WADA Tech Committee

The Board of Directors has set up a Tech Committee to develop a plan to upgrade our league's information systems. The committee is open to all WADA members and the meetings will be held online to allow greater access for members in Maryland, DC and Virginia. If you are interested in joining the Tech Committee, please send your request and email address to Brook Rolka at [rolkabt\(at\)gmail\(dot\)com](mailto:rolkabt(at)gmail(dot)com).

## WADA's New Address, Facebook and Twitter

WADA's new mailing address is 4201 Wilson Blvd #110-312, Arlington, VA 22203. Now that we have a "street address" we can accept deliveries that were previously unavailable to PO Boxes. Please do not use the old PO Box address and be sure to include the entire address since mail without the #110-312 will not be delivered. WADA has an official Facebook Page so like us at <https://www.facebook.com/wadadarts> and follow our Twitter feed at [https://twitter.com/WADA\\_Darts](https://twitter.com/WADA_Darts). Spread the word!

## Next Board Meeting is August 4th in VA W.

The board meeting is scheduled for 1PM on Sunday, August 4th at O'Malley's Pub at the Holiday Inn Washington—Dulles International Airport, site of this year's Washington Area Open. All are welcomed to attend the board meetings. We are always on the lookout for anyone interested in helping out with dart events including working with the ADO, youth events, charity events and Flight Schools. Specifically we are actively looking for people interested in helping plan, design, and develop technologies to be used by WADA. If you are interested in working with WADA either as an officer, volunteer or vendor, please contact your area board member or send an email to [board.chairman@wadadarts.org](mailto:board.chairman@wadadarts.org).

### Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D-B at the bottom and wondered what they were for? They stand for Triples, Doubles and Beds. There are a number of cricket, halve-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple twenty will finally count for something).
