Roster Updates and Sponsor Invoices

There has been a delay in updating rosters, creating and mailing sponsor invoices. The early payment discount deadline has passed. We will try to have invoices out to sponsors as soon as possible. If you have any questions please email rosters@wadadarts.org. This delay is also effecting the ability to include Milestone counts in the Weekly.

Rosters and Shooters Fees are Past Due

Get everything in this week to avoid any further Late Roster Penalty... it's a full 3% reduction to your team's winning percentage! Captains should be collecting team information and taking care of payments. Please Fax (888-476-0665) or email your Roster today to roster@wadadarts.org to avoid penalty points. WADA prefers electronic payments via PayPal at <http://www.wadadarts.org/RosterPayPal.asp>. Captains, remind your sponsor that if they pay their sponsor fees by Oct. 4th they will receive a 10% discount. Sponsor Fees at the regular rate are due by the end of Week 6, Oct. 18th. Teams must have a legal roster and shooter fees paid by the end of week 3, Sept. 27th, or the team will be dropped. View the Rules at <http://wadadarts.org/Rules.doc>.

Wednesday C Divisions Merge

If you play in either Division 12C or 13C your divisions have merged. You will play your scheduled matches this week and then adopt a unique schedule. Ask your captains for more information or contact us.

Next Board Meeting is Oct. 25 in VA West

Next WADA Board Meeting is this 1:00PM Saturday, October 25th at First Break in Sterling, VA. Please contact your regional board member or the chairman if you have any requests for the board. Additionally, you can send them my way and I will direct them to the appropriate party.

Games People Play: Fifty-One in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 ($20+20+5=45$ $45/5=9$). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.

Tips? Find the 5-wedges. The two best places on the board to throw are at the 20/5 area or the 10/15 area. Each of these areas give a nice wide target where hitting either number leaves you divisible by 5. Of course, you could also throw single and double bulls!
