Roster Updates and Sponsor Invoices

Rosters are now being updated and should be posted soon. Sponsor invoices have been printed and mailed as of 10-27-2014.

Officer elections and information

Pursuant to the Bylaws, the Board reviewed the contracts of its current officers, and voted to renew the contract of Pat Martin in her role as Treasurer, and to renew the contracts of Melissa Parzow and Alyssa Dempsey in their role as Co-Tournament Directors. However, the contracts of the two Executive Directors and the Webmaster were not automatically renewed, and the positions have been opened for all interested individuals to apply, including the current incumbents.

If you are interested in applying for one of the following positions, please submit your resume and cover letter either by fax or email to the Chairman of the Board, Brook T. Rolka. The email address is board.chairman@wadadarts.org. Brook's fax number is [703-982-7540](tel:703-982-7540). All applications must be received no later than close of business on Monday, November 24, 2014.

The positions are as follows: 1) Executive Director, 2) Assistant Executive Director/Secretary, and 3) Webmaster. Please consult the Bylaws if you need more information regarding the duties and responsibilities of the position or email the Chairman at board.chairman@wadadarts.org. Please note, we will not be accepting applications for people running as a pair for the same position (i.e. we will not be retaining Co-Executive Directors). However, if a person would like to run for both Webmaster and one other position, the Board will be willing to consider offering both positions to the same person.

Games People Play:

Fifty-One in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 ($20+20+5=45$ $45/5=9$). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.

Tips? Find the 5-wedges. The two best places on the board to throw are at the 20/5 area or the 10/15 area. Each of these areas give a nice wide target where hitting either number leaves you divisible by 5. Of course, you could also throw single and double bulls!
