Playoff Etiquette and Reporting Scores

Please report playoff results quickly so I can update the brackets. Postseason matches are a race to 20 (except DC-C), just like old times. Once a team achieves 20 points the match is over. Additionally, if both teams reach 17 points in the match and the team game will determine the match, games currently being played should be stopped and team game should begin within a reasonable time. You may simply call in your score but fax or email it if you have 9MK/T80/6Bull highlights. Be sure to check the bracket for potential double bookings at your host establishment and contact us if you see an issue.

WADA Winter Championships

League Championships are at Mighty Mikes in Sterling, VA. The B League will start promptly at 10AM on Saturday, April 18th. The C League will start promptly at 10AM and The A League Championship will begin at 3PM on Sunday, April 19th. Division Winners and Playoff winners are invited to championships. This season, we may have wildcards awarded to fill brackets for B (16) and C (8). Captains must check in fifteen minutes prior to the scheduled start times. Dart supplies by Top Hat Dart Supplies and doors open at 9AM. DO NOT ASSUME your team has a bye.

Deadline for Team Applications is May 2nd

[Applications for the Spring Season](#) are now being accepted online. Fill out as much of your team information as possible and start collecting roster information and fees so you can complete the registration process Week One. This season we are transitioning to the new player ranking scheme where shooters are ranked by individual stats versus team standings. In this Weekly and in the Spring Seasonal, to be published following championships, we will clearly list the rank of individuals. If you have a new player joining that has a rank of N/A or you can not find, please select Unsure. Otherwise your players should be ranked AA, A, BB, B, C. Please use the new rankings going forward.

WADA Spring Singles Leagues

The 3rd ADO Regional will be held locally in Fairfax this summer (Date TBD). The 1st Event was held at Mighty Mikes in Sterling and we had great success running singles/qualifiers for that event. WADA will be running Spring Singles Leagues in two flavors for the Spring. We will have the traditional Singles League events (similar to the Winter Singles) at 2+ locations (so far Mighty Mikes and Revolution Fairfax) with qualifiers playing at the ADO National Qualifier (\$40 per player for the whole season). In addition we will also run a floating Singles League where each shooter pays \$30 and has a sponsor bar pays (\$20 per player) and will host each of their opponents once per season for 10 games (5 501 and 5 Cricket). Let your sponsor bar know that sponsorship is \$20 and is a great opportunity to sponsor a local shooter and host new shooters to promote your bars and boards. The Sponsor location that sponsors the most Singles in their WADA Region (DC/MD/VAE/VAW) will also host Regional Finals at their location.

Washington Area Open Tournament Planning

The 16th Annual Washington Area Open will be held Labor Day Weekend, Sept. 4-6, 2015. We are accepting designs and ideas for Charity, Promotions and Supplies. If you have some ideas or input, please contact director@wadadarts.org by 4/19.

Next Board Meeting in VA East April 25th

WADA Spring Singles League

WADA will be running Spring Singles Leagues with winners facing off in a WADA regional championships to represent WADA at the ADO Region V-4 National Qualifiers in July at Fairfax Revolution. Play will begin in May and will include more than one region and host establishment. If your sponsor bar is interested in hosting a division on Thursdays or Saturdays please let me know!

B League continues after C League next page. Singles Shooter Statistics

Singles Stats compiled through Week 11. B/C Mixed Division
Players will earn B W/L against B opponents and C for C.

Lvl = Level Played (A,B,C), M = Matches Played (Weekly Matches are counted if you played any doubles or singles games), WP = Win Points, LP = Loss Points, PCT equals Win Points / (Win Points + Loss Points) (does not include wins by forfeit). Email scoresheets again if you feel we missed one.

New Player Rankings

The Explanation of the New Rule

WADA League Rules have allowed 2 A's on a B team and 2 B's on a C team. This year we have expanded the ratings from 3 classes (a,b,c) to 5 classes (aa, a, bb, b, c) in order to distinguish the better A and B players because teams were taking advantage of the old rule by stacking teams with the better A and B players, thus making it more difficult for the lower level players to find teams to play on. This season you can have 2 A players or one AA player (counts as two) on a B Team or 2 B players or 1 BB on a C Team.

During 2015, WADA will incorporate a "hybrid" solution so that the current rules will still be used to determine player and team playing level (A,B,C). Alternatively, we will also allow a team to choose to be ranked using the "new" rule. Starting in 2016, Rule 15 & 25 will be re-written so that the new rule will replace the existing rules on how teams and players are ranked, specifically 15.D. will change so members are no longer classified at the same level as their highest level team.

Wondering where you were ranked?

The following pages list the current rankings that will be used for the Spring 2015 Season. The stats included are from Fall 2013 through the Winter 2015 season. Contact director@wadadarts.org if you have a question or are interested in the math.

Players receive a rating based on singles win-point (WP) percentage known as the Weighted Aggregate Rated Percentage (WARP)

- The wins and losses are rated so that Wins count more for the higher league (A3, B2, C1) and losses count more for the lower league (C3, B2, A1) for comparison
- The threshold for each WARP ranking is as follows: AA \geq 8.3, A \geq 6.7, BB \geq 5.0, B $>$ 3.3, C $<$ 3.3
- All win-points and loss-points are totaled for a pre-determined number of seasons which will be referred to as the Rolling Average Cycle (RAC)
 - Current RAC includes 13 Fall, 14Win, 14SPR, 14FALL, and 15Win.
 - A RAC should not include more than the last 6 seasons as a MAX.
 - A player must play 7 games (21 points) in the RAC to get a WARP
- Anyone who plays A league during the RAC may not be ranked any lower than B.
- Anyone who plays B league as their highest level during the RAC may not be ranked any higher than A
- Anyone who plays C league as their highest level during the RAC may not be ranked any higher than BB

Team Roster Restrictions

- A Teams have no roster restrictions – anyone can play A.
- B teams will still be able to roster two A's on their team but now a AA player fills both A slots.
- C teams will still be able to roster two B's on their team but now a BB player fills both B slots.
- During the "hybrid" year WADA will determine if an additional restriction of how many BB players may be on a B team is needed.

This list will be available for lookup on the web soon and I will be checking applications to make sure you are forming a legal team for the level you choose.
