Winter Championships NOW in Fairfax

This season's Championships have been moved to Fairfax Revolution. They are still on April 30 and May 1st., but the location had to be changed because the Eagles booked an event on the same weekend as our championship weekend. Please let your teams know and I will continue to remind everyone as we get into playoffs.

It's Week 12 - No More Subs/New Players

Rules 16B, 17D and 19C are in effect for the remainder of the season. Postponements require the approval of the executive director and you may not use subs or add shooters. Check your rosters on our website to make sure that every player is listed correctly and that you have paid for added players. To be eligible for the postseason, you must play a minimum of 3 separate matches in a spot where your name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Next WADA Board Meeting April 9th

The next board meeting is scheduled for April 9th. All members are welcomed to attend and we strongly encourage members to attend when we meet in your region. If you have business for the board, or just want to be involved, join us! WADA is looking for members who are interested in promoting the game of darts and shaping the future of our association and darts in the Washington Area. In addition to league night, we also host championships, tournaments and various activities throughout the year. We could really use a helping hand and are actively looking for individuals who can help develop a web/mobile app for easier score reporting, members interested in hosting or volunteering for youth events, tournaments, ADO qualifiers, and other darts related events and activities. Keep an eye out here for some online WADA meetups.

Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D-B at the bottom and wondered what they were for? They stand for Triples, Doubles and Beds. There are a number of cricket, halve-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple

If you are not getting credit for your games or matches send a message to director@wadadarts.org so I can whitelist it.

I think we have fixed the filter so next week I should be getting everyone's email to scores correctly. There are some that were just found and they will be in the next weekly.

Be sure you check and make sure your team is getting all the scores, singles and highlights are counted. Singles Stats are updated through the current Week.
