Associate yourself with Darts and WADA!

WADA is looking for members who are interested in promoting the game of darts and shaping the future of our association and darts in the Washington Area. In addition to league night, we also host championships, tournaments and various activities throughout the year. We could really use a helping hand and are actively looking for individuals who can help develop a web/mobile app for easier score reporting, members interested in hosting or volunteering for youth events, tournaments, ADO qualifiers, and other darts related events and activities. Keep an eye out here for some online WADA meetups.

Next WADA Board Meeting March 19th

The next board meeting is scheduled for March 19th at noon at First Break Café in Sterling, VA. All members are welcomed to attend and we strongly encourage members to attend when we meet in your region. We are actively looking for volunteers and for members who would be interested in working with WADA for future tournaments, events and activities. If you have business for the board, or just want to be involved, join us!

At the last board meeting, the Motion to remove c) from Article V Section 9 regarding board member attendance, unanimously passed. This will be ratified at the 16SPR captain's meetings. Descriptions of changes to rules and bylaws are available online at <http://wadadarts.org/rules%20changes.htm>.

WADA Winter Singles League

^{GT} indicates the shooter won a golden ticket. ^{G\$} means they are the invited to qualifier. Through Singles League funds we can send 5 men and one women.

Games People Play: 51 in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 (20+20+5=45 45/5=9). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.

Tips? Find the 5-wedges.
The two best places on the board to throw are at the 20/5 area or the 10/15 area. Each of these areas give a nice wide target where hitting either number leaves you divisible by 5. Of course, you could also throw single and double bulls!

Games People Play: Minnesota Cricket

Have you ever seen a scoreboard that extended past 20-15-Bull to include T-D-B at the bottom and wondered what they were for? They stand for Triples, Doubles and Beds. There are a number of cricket, halve-it, and rotation games that utilize these targets. The most popular names used for this variation are Minnesota Cricket, Moose, Milwaukee, Mouse or Wild Mouse, depending on where you play the game.

These cricket variations includes having to hit three doubles, three triples, and three 3-in-a-bed shots (all three darts in the same number). You can score on the triples, doubles and beds the same as the cricket numbers. One dart cannot count two different ways. If you hit a triple 20 in your first turn, you can count it as three 20s or as one triple, not both. All versions are played "slop" so you don't have to call your shot. In Minnesota, Moose (and Mouse) you can only hit cricket numbers for your doubles, triples, and beds. In Milwaukee (or Wild Mouse) you can hit non-cricket numbers so that irritating triple one you inevitably hit aiming at the triple
