## Team Apps for Winter League are Due Now!

[Applications for the Winter Season](#) are being accepted online through this weekend. Please look up each of your player's rankings to ensure that your team does not exceed the maximums for your team's expected playing level. To make this easier, I have attached Rules 14-17 in this publication. Please contact me via phone or email if you have questions or concerns. I will accept teams at the captain's meetings, however teams will only be allowed to enter if it will not disrupt the schedule. Fill out as much of your team information as possible and start collecting roster information and fees so you can complete the registration process. The deadline for rosters without penalties is now Week Two so you do not need to request an exemption if you do not play the first week. Exemptions may be granted however they now require approval by the director and your region's board members (majority vote). The Shooter Rankings are published in this Fall Seasonal. If you have a new player joining that has a rank of N/A or you can not find, please select Unsure. Otherwise your players should be ranked AA, A, BB, B, C.

## Winter Captain's Meetings

All captains are expected to attend their region's captain's meeting. If you can not make it, please send a team representative to attend the meeting officially and pick up your captain's packets, receive your schedules and division assignments. Payments and rosters will be accepted at captain's meetings. This meeting we have Bylaw ratification votes so please attend or send a proxy (you can text me or a division rep).

**Tuesday, January 12th at 8:00pm at American Legion (DC Region)**

**Tuesday, January 12th at 8:00pm at Eagles Club (MD Region)**

**Wednesday, January 13th at 8:00pm at Revolution Springfield (VA East)**

**Thursday, January 14th at 8:00pm at Mighty Mikes (VA West)**

## All Star Competition & Next Board Meeting

All Star Points have been updated! This season the top four in each region and conference (A, B & C) present at their region's Winter captain's meeting will play a seeded playoff and then each regional winner will be invited to the January 16th board meeting in VA West (location announced at Captain's Meeting) to compete for All Star Champion. See the rules 14-17 to make sure your level will not keep you from competing. The top 4 in attendance will compete in each region so come out in case you are in the top 4 present. A League is 501, 501, Cricket, Cricket, Cork Calls (best of 5 alternating start). B League is 501, Cricket, Cork Calls (cork every leg) and C League is 401, Cricket, Cork Calls (cork every leg). B & C League is best of 3.

## Captain's Meeting

### Bylaw ratifications and Rules 14-17

---

---

Captains and members,

I am including Rules 14-17 which contain most of the changes made over the last year and will be useful when addressing concerns about player levels, team make-up and All Star points and the competition taking place at the captain's meeting.

See below for one of the bylaws to be ratified. The other has to do with the online discussion board and the redline is available on the website and will be brought to the captain's meetings to review.

Please let any of your players know that any of the top 4 present at the captain's meeting will be able to play in the All Star competition and by a simple vote this can be expanded to the top 8. I hope it will be a fun event for everyone. Make sure you are not ranked A and trying to throw B, or B into C, etc.

#### **ARTICLE XIII - Amendments, Rules and Regulations**

Section 1 - These bylaws may be amended by a majority vote of the Board of Directors subsequent to ratification by a majority vote of team captains at a scheduled team captains meeting. In the event that a ratified change to the bylaws requires an amendment to the Articles of Incorporation, such a change shall be made.

Section 2 - Rules and regulations, other than the WADA Rules of Play, written to supplement and implement the provisions of these bylaws shall be devised by the Rules and Bylaws committee for the fulfilling of the purposes of this Association, for clarity, uniformity and edification.

Section 3 - All changes to the rules and regulations and supplementary provisions to these bylaws made by the Rules and Bylaws committee shall be announced in the weekly results sheet, and sent to all Board Members, Officers of WADA, team captains and sponsors and are subject to the approval of the Board of Directors by a majority vote.

Section 4 - All bylaw amendments and changes to the rules and regulations and supplementary provisions must be posted for member feedback on the website for at least 21 days, and subsequently included in the Weekly, prior to a majority vote of the Board of Directors.

**Washington Area Darts Association**  
**Rules of Play**

**14. Team Applications, Rosters and Fees.**

- A. Team applications for each WADA season must be received by the announced deadline to be guaranteed a position on the schedule. Applications received after the deadline will be considered on a first-come, first-served basis, and will be accepted only if there are positions available on the schedule. Applications will not be accepted after the first week of play.
- B. Team rosters, individual shooter fees, and new membership fees are due for all team members by the end of the second (2<sup>nd</sup>) week of each season. A team will not be considered as Paid until all fees and a completed Team Roster are received.
  - 1. End of Week 2 – If payment and/or Roster form have not been received, 3% penalty points will be assessed for each week.
  - 2. End of Week 3 – If payment and/or Roster form have not been received, unless an Exception has been granted by the Executive Director, the team will be dropped from the league for the remainder of that season.
  - 3. It is the responsibility of the team captain to ensure that the required team fees are paid and the completed Team Roster form has been submitted and received.
  - 4. See Rule 5A for definition of a Full Team and the maximum number allowed on a team.
- C. Shooter fees must be paid by each team member for each team of which that player is a member for each league season.
- D. All players on a team roster must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

**15. Individual Player Status.**

- A. Any player who shoots for a team, other than as a substitute, shall be considered to be a member of that team, regardless of the number of games actually played. A player is either a team member or a substitute. Players may change teams only between seasons, except that a player may change teams if his/her team withdraws or is dropped from the league.
- B. Non-playing captains (NPCs) are allowed in all leagues, and do not count toward the maximum number on the roster. NPCs are not subject to Rule 14. D, unless they elect to shoot as a legal substitute during the first nine weeks of play. NPCs are not required to pay shooter fees, and are not eligible for individual awards. "Non-Playing Captain" must be clearly marked above "Captain's Name" on the Season Application.

**Washington Area Darts Association**  
**Rules of Play**

**16. Individual Player Rankings.**

A. Players receive a rating based on singles win point (WP) percentage known as the Weighted Aggregate Rated Percentage (WARP).

1. The wins and losses are rated so that wins count more for the higher league (A3, B2, C1) and losses count more for the lower league (C3, B2, A1) for comparison.
2. The threshold for each WARP ranking is as follows:

AA	>=	8.3
A	>=	6.7
BB	>=	5.0
B	>	3.3
C	<	3.3

B. All win-points and loss-points are totaled for a predetermined number of seasons which will be referred to as the Rolling Average Cycle (RAC).

C. A "RAC" should not include more than the last 6 seasons as a MAX.

D. A player must play 7 games (21 points) in the RAC to get a WARP.

1. Anyone who plays A league during the RAC may not be ranked any lower than B.
2. Anyone who plays B league as their highest level during the RAC may not be ranked any higher than A.
3. Anyone who plays C league as their highest level during the RAC may not be ranked any higher than BB.

**17. Team Composition.**

A. A point system for ranked players (Rule 16) will be used to determine team strength. Divisions are given a maximum point allowance reflective of that team's top 4 players. Points and allowances are as follows:

<b>Player Points</b>	<b>Team Allowance</b>
C=1 point	C team allowed 6 points
B=2 points	B team allowed 12 points
BB=3 points	
A=4 points	A team allowed 18 points
AA=5 points	(no CAP for 16WIN)

B. Any team adding a new ranked player must not allow new players ranked points to exceed their allowed point total. Captains and the Executive Director must adhere to the point system when allowing a new player onto a team.

C. Any new member joining a team is allowed the privilege to join a team in any division. Said player will be ranked accordingly after first season.

**Washington Area Darts Association**  
**Rules of Play**

**28. Player Recognition and Season All-Stars.**

A. WADA will keep a tally of all-stars hit during a single season. After the last regular season match there shall be an all-star winner for each Division. The winners shall be awarded an all-star winner plaque with his/her name on it and all-star count to be given out at Championship weekend. A separate award will be given for the female all-star winners.

B. Ranking	C	C/B	C/B/A	All
Stars	★	★★	★★★	★★★★
01 Games	100	120	140	180
In/Out	100	120	140	170
Cricket	6	7	8	9
Bull	3	4	5	6

★★★★★ 5 stars for a perfect game (6 dart 301, 9 dart 501, 8/9 dart Cricket)

- C. No A ranked player playing in B division is eligible to win the B all-star championship.
- D. No B ranked player playing in C division is eligible to win the C all-star championship.
- E. All-stars are only counted during regular season play, not during playoffs or championships.
- F. Specification of plaque/trophy to be determined by league play committee.
- G. Determination of all-star winners will take into account the number of matches played so that individuals playing on multiple nights and/or divisions with more scheduled matches do not receive an unfair advantage.
