It's Week 12 - No More Subs/New Players

Rules 16B, 17D and 19C are in effect for the remainder of the season. Postponements require the approval of the executive director and you may not use subs or add shooters. Check your rosters on our website to make sure that every player is listed correctly and that you have paid for added players. To be eligible for the postseason, you must play a minimum of 3 separate matches in a spot where your name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

16B Addition of New Players. No team members may be added after the 9th week of the regular season. This includes players who may have substituted earlier in the season. Players added to a team must play in a minimum of three (3) regular season matches to be eligible to play in the division playoffs and League Championships.

17D Substitutes. No substitutes are allowed after the 9th week of the regular season. Substitutes are not eligible for awards.

19C Postponements. All postponements must be made up prior to the start of end-of-season playoffs. Matches made up after the 9th week of the regular season will be subject to Rules 16.B. (Addition of New Players), 17.D. (Substitutes), and 20.C. (Forfeits). There will be no postponements after the 9th week of the regular season without the prior approval of the Executive Director.

Fall Championships are December 10-11

This season's championships are at Revolution Fairfax December 10-11th. B is Saturday at 10AM and on Sunday C starts at 10AM and A begins at 1PM.
