Winter Championships are April 29-30

This season's championships are at Mighty Mikes April 29-30. B is Saturday at 10AM and on Sunday C starts at 10AM and A begins at 1PM. Please RSVP, yes or no, as soon as you can so I can set the brackets. Check your roster and remember that a player must play in 3 matches to qualify for the playoffs.

No More Subs/New Players

Rules 16B, 17D and 19C are in effect for the remainder of the season. Postponements require the approval of the executive director and you may not use subs or add shooters. Check your rosters on our website to make sure that every player is listed correctly and that you have paid for added players. To be eligible for the postseason, you must play a minimum of 3 separate matches in a spot where your name will be listed on the scoresheet (either doubles or singles) as there is no required listing for the team members who played in the Team Game.

Seeking All Stars to Challenge Pittsburgh

WADA has accepted a challenge from the Pittsburgh darters club. An All Star Team representing WADA will travel to the Steel City Open on August 20-21, 2017, to compete against a team of All Stars representing the Pittsburgh club. In 2018, the Pittsburgh team will come to the Washington Area Open to compete on our turf. Each team tentatively would consist of 12 men and 6 women shooters. The exact format of the challenge will be released at a later date. All Star qualifications/selections likely will be made at the Spring Annual Meeting. Details are still being worked out, but we are open to suggestions for selection competitions/criteria. WADA won't be able to fund travel to Pittsburgh, but we would be happy to help hold fundraising lucks or aid in other ways. If you might be interested, keep it on your mind and start planning now!

Games People Play: 51 in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 ($20+20+5=45$ $45/5=9$). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.
