## Playoff Etiquette and Reporting Scores

Playoff Brackets are included in this Weekly. Please report playoff results quickly so I can update the brackets. Postseason matches are a race to 20 (except DC-C), just like old times. Once a team achieves 20 points the match is over. Additionally, if both teams reach 17 points in the match and the team game will determine the match, games currently being played should be stopped and team game should begin within a reasonable time. You may simply call in your score but fax or email it if you have 9MK/ T80/6Bull highlights. Be sure to check the bracket for potential double bookings at your host establishment and contact us if you see an issue.

## Winter Championships are April 29-30

This season's championships are at Mighty Mikes April 29-30. B is Saturday at 10AM and on Sunday C starts at 10AM and A begins at 1PM. Please RSVP, yes or no, as soon as you can so I can set the brackets. Check your roster and remember that a player must play in 3 matches to qualify for the playoffs.

## 2nd Annual Members Meeting

Join us at our 2nd Annual Members Meeting on Saturday, May 13 starting at noon! Once again, it will be held at Revolutions Fairfax. We'll be holding the following events:

**Board Meeting (noon)** - We will be voting on the "Points on the Line" proposal.

**Captains' Meetings and Membership Forum (1 pm)** - Captains' Meetings for the summer season.

**Awards Banquet** - FREE food will be provided.

**All Stars (3 pm)** - Anyone who shot in Fall 2016 or Winter 2017 may participate. Participants will be seeded based on total points over both seasons. Best of 5 in A, best of 3 for B & C.

**Player's Challenge/Pittsburgh All Star (5 pm)** - Any WADA member may participate. There will be 5 tournaments, one for each ranking we currently use, based on Spring '17 rankings. Winners will receive a free shooter's fee for next season and will have the opportunity to represent WADA at the Steel City Open.

### Games People Play: 51 in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 ( $20+20+5=45$   $45/5=9$ ). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.
