## Winmau Rolling Singles Qualifiers

We are holding "rolling" singles qualifiers for Winmau Masters Regional. The Regional will be held April 1 at Mighty Mikes. Details about the qualifiers are attached at the end of this Weekly. There are 5 remaining qualifiers. At each qualifier, you will play 21 legs of 501—you receive 1 point per leg won, plus 5 points just for showing up. If there are at least 8 players at the event, the overall winner will receive a Golden Ticket straight to the Regional. After the final Qualifier, remaining funds will be used to send as many people as possible to the Regional based on points earned over the course of the qualifiers. **You don't have to play every week to win—show up when you can.** The next event is on February 18 at Revolution Fairfax, beginning at noon. Hope to see you there!

## Reminder: Seeking Feedback—Points on the Line

WADA is always seeking ways to make match play equitable while keeping it fun. We are aware there are teams of mixed skill levels who desire to continue to play with each other. WADA currently has the "salary cap" rule in place (Rule 17.A), but the Board is considering adjusting that to a "points on the line" concept. That is, rather than a team's entire roster being limited by the salary cap, WADA would institute a rule that says the WARPs of the four players shooting in each round cannot exceed a defined threshold.

**However, we need your feedback.** Think the limits are too low? Too high? Let your Board rep or one of us know! Give us your ideas! Our next meeting is on Saturday, 25 February at 6pm at Fairfax Revolutions. Come for the meeting, make your voice heard, and stay for the Luck.

#### Games People Play: 51 in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 ( $20+20+5=45$   $45/5=9$ ). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.

Tips? Find the 5-wedges. The two best places on the board to throw are at the 20/5 area or the 10/15 area. Each of these areas give a nice wide target where hitting either number leaves you divisible by 5. Of course, you could also throw single and double bulls!
