## Points on the Line Feedback

Thanks to everyone who has reached out to us and attended our February meeting to discuss the Points on the Line (PoL) proposal. The feedback we have thus far received falls into five general categories:

1. No cap on A league: the Board was presented a petition to this effect, and we are committed to not putting a cap on A league.
2. Create a simplified PoL: assign whole numbers for WARP ratings, and cap B at 12 points. That being said, there are a host of issues related to enforcing PoL, and WADA must be prepared for all contingencies if PoL is enacted.
3. Create two B divisions (High B and Low B).
4. Make no changes to the caps, but restructure games/matches so one player doesn't control 25% of the points.
5. No exemptions, period: a team must move up to the next division if their ratings qualify, and no exemptions will be made.

The Board is interested in your thoughts about the above, as well as any other concerns you'd like to share. Please contact your regional rep and/or me so we can ensure your voice is heard.

Shoot well,

Laura

Chair, WADA Board

## Seeking All Stars to Challenge Pittsburgh

WADA has accepted a challenge from the Pittsburgh darters club. An All Star Team representing WADA will travel to the Steel City Open on August 20-21, 2017, to compete against a team of All Stars representing the Pittsburgh club. In 2018, the Pittsburgh team will come to the Washington Area Open to compete on our turf. Each team tentatively would consist of 12 men and 6 women shooters. The exact format of the challenge will be released at a later date. All Star qualifications/selections likely will be made at the Spring Annual Meeting. Details are still being worked out, but we are open to suggestions for selection competitions/criteria. WADA won't be able to fund travel to Pittsburgh, but we would be happy to help hold fundraising lucks or aid in other ways. If you might be interested, keep it on your mind and start planning now!

### Games People Play: 51 in Fives

This is fun game that may be played by any number of players. The object is to be the first player to reach a score of exactly 51. Diddle for the middle to determine the playing order. A running total is kept vertically below each player's name to show the current score he or she has.

Each player throws three darts trying to score a total of the three darts that is EXACTLY divisible by 5. If the player's total is not divisible by 5, all three darts do not count (like a bust). If the player's total is exactly divisible by 5, divide the total by 5 and that number is the score for the round. For example, a player throws a single 20, a single 20 and a single 5. The score for that player would be 9 ( $20+20+5=45$ ,  $45/5=9$ ). If any dart misses the board entirely, all three darts thrown in that round do not count.

To win the game, a total of 51 must be hit exactly. If the total ends up more than 51, all three of the darts thrown in that round do not count and the score remains the same.

Tips? Find the 5-wedges. The two best places on the board to throw are at the 20/5 area or the 10/15 area. Each of these areas give a nice wide target where hitting either number leaves you divisible by 5. Of course, you could also throw single and double bulls!
