Updated Scoresheet

There have been some updates to the pre-populated scoresheet. It now has room for nine players, if your team has 9 approved players. Also, when using the sheet in excel, it has drop downs and will calculate both POL and win loss and whether or not someone has played.

Reporting Scores

Captains, please make sure that you submit your scoresheets in a timely manner. Your players do not receive credit for their highlights if you do not submit your scoresheet. Also, remember that when you submit your scores online you must still attach the scoresheet.

Sportsmanship

Please make sure that you are always playing with good sportsmanship. Keep smoke breaks to a minimum and make sure you are not doing things that will delay the match. We all love the game, and we all want to win. Always make sure that you both win and lose with the sportsmanship that you would like to have other players show you.
