How To Video

I have put a how to set up your match in Dart Connect video on WADA's Facebook page, please check it out.

Format

All sets are best of 5, with the exception of C league and MD. Please, please, make sure you play your sets in the following order...

501 - Home player starts

Cricket - Away player starts

Cricket - Home player starts

501 - Away player starts (301 for Maryland)

The format is set this way to allow the home and away player to each start a set of 501 and Cricket.

Etiquette as we play at home

As we are playing at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. If you need a break between sets, please let your opponent know. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. One last thing, it is helpful to check with your opponent before your match begins to ensure that they have a clear view of your board.

Etiquette as we play at establishments again

As we are starting to play in our sponsor bars once again, please make sure that you are following all state and local ordinances in relation to facemasks and social distancing. Also, please be aware that not all people are going to be comfortable with fistbumps, etc. I would recommend beginning your set and/or leg by simply saying "shoot well" and end with saying "good game", or something to that effect. Let's all stay safe.
