### Make-Ups

We have A LOT of makeups, I have attached a list of all makeups I show through week 5. If you see a match that you have played, please let me know, and I will look into it. Please get them made up as quickly as possible. For most divisions this is a make up week and the best opportunity to do get them made up. Please let me know when you will be playing.

### Etiquette as we play at home

As we are playing at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. If you need a break between sets, please let your opponent know. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. One last thing, it is helpful to check with your opponent before your match begins to ensure that they have a clear view of your board.

### Etiquette as we play at establishments again

As we are starting to play in our sponsor bars once again, please make sure that you are following all state and local ordinances in relation to facemasks and social distancing. Also, please be aware that not all people are going to be comfortable with fistbumps, etc. I would recommend beginning your set and/or leg by simply saying "shoot well" and end with saying "good game", or something to that effect. Let's all stay safe.
