### Week 1

Thank you all again for playing. There were a few hiccups week 1 as everyone is learning the system, etc. I know that there are a lot (I mean A LOT) of people playing on Dart Connect so the system can get a little slow. Please bare with it. If you have any questions please reach out to us.

### Format

Not everyone is playing the format as it is intended. Please, please, play your sets in the following order...

501 - Home player starts

Cricket - Away player starts

Cricket - Home player starts

501 - Away player starts

The format is set this way to allow the home and away player to each start a set of 501 and Cricket.

### Etiquette as we play at home

As we are all playing at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. If you need a break between sets, please let your opponent know. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. One last thing, it is helpful to check with your opponent before your match begins to ensure that they have a clear view of your board.
