### Rule Clarification

Something that can happen, when you are not playing in person, is that you can begin your turn before you should. If you make this mistake, it is important for you, and your opponent, to know the rule. Any dart thrown before your turn officially begins is a lost dart. For example, if Jane and Joan are playing, and Jane throws her first dart while Joan is still completing her turn, that dart does NOT count and CANNOT be rethrown. The best practice to avoid this happening is to wait until your name is in white in Dart Connect.

### Connectivity and Issues

When you are playing online, connectivity issues can and will happen. Usually they resolve themselves, but if they do not, please let me know ASAP. Take a screenshot (if you can) of any issues and email me at [director@wadadarts.org](mailto:director@wadadarts.org). I will forward all of these emails to Dart Connect, to make them aware so that they can be aware of what is happening.

### Format

Not everyone is playing the format as it is intended. The format is set this way to allow the home and away player to each start a set of 501 and Cricket.

Please, please, play your sets in the following order...

501 - Home player starts

Cricket - Away player starts

Cricket - Home player starts

501 - Away player starts

### Etiquette as we play at home

As we are all playing at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. If you need a break between sets, please let your opponent know. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. Also, if there are others around while you are playing, please keep in mind that microphones pick up the conversation, and may be quite distracting to your opponent while they throw.
