Things to be Aware of...

This week was better in regards to DC issues, though there were still a couple. If you have been using the internet to access the DC scoring app, it has been brought to my attention that it works best on Chrome. Also, there have been some issues with Google Hangouts, a better alternative may be to use the video call feature of Facebook Messenger.

Format - AGAIN!!!

GUYS and GALS.. This is still an issue...

Not everyone is playing the format as it is intended. PLEASE, PLEASE, play your sets in the following order...

1st set is ALL 501 - Home player starts the first leg, then it alternates through the set

2nd set is ALL Cricket - Away player starts the first leg, then it alternates through the set

3rd set is ALL Cricket - Home player starts the first leg, then it alternates through the set

Final set is ALL 501 - Away player starts the first leg, then it alternates through the set

The format is set this way to allow the home and away player to each start a set of 501 and Cricket.

Etiquette as we play at home

As we are all playing at home, please be aware of a couple things. First, there may be children around, so be mindful in what you say. Also, if you need a break between sets, please let your opponent know.
