### Standings

Please do not use the DC standings for well, anything other than averages. With the matches that have had multiple starts, the number of matches played is skewed, and we use a win/loss percentage for our standings. The official standings are what is posted here.

### Format - AGAIN!!!

GUYS and GALS.. This is still an issue...

Not everyone is playing the format as it is intended. PLEASE, PLEASE, play your sets in the following order...

1st set is ALL 501 - Home player starts the first leg, then it alternates through the set

2nd set is ALL Cricket - Away player starts the first leg, then it alternates through the set

3rd set is ALL Cricket - Home player starts the first leg, then it alternates through the set

Final set is ALL 501 - Away player starts the first leg, then it alternates through the set

The format is set this way to allow the home and away player to each start a set of 501 and Cricket.

### Etiquette as we play at home

As we are all playing at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. If you need a break between sets, please let your opponent know. Lastly, a lot of us like to have music playing in the background while we play. That's great, but please keep the volume at a reasonable level.
