League Play Questions/Issues

We have a lot of new players this season, so I wanted to go over how to reach out if you have issues during your matches. If you have any questions or problems that need immediate response, please use the phone number listed here to the left, or you may send a message to WADA's Facebook page through messenger. The page is listed as Washington Area Darts Association. If it is not an urgent matter, please send an email to director@wadadarts.org.

Word Search

Check out the next page and complete the word search. Send the completed word search via email to director@wadadarts.org, either by pdf or picture. Deadline is Feb 6th. I will put all the correct entries in a randomizer and the winner will get a \$10 Starbucks gift card. Also, we are asking for players to submit a baby picture along with a current picture for our next game. :-). Join in on the fun!

Etiquette as we play at home

As we are playing at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. If you need a break between sets, please let your opponent know and do your best to be brief. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. One last thing, it is helpful to check with your opponent before your match begins to ensure that they have a clear view of your board.

Etiquette as we play at establishments again

As we are starting to play in our sponsor bars once again, please make sure that you are following all state and local ordinances in relation to facemasks and social distancing. Also, please be aware that not all people are going to be comfortable with fistbumps, etc. I would recommend beginning your set and/or leg by simply saying "shoot well" and end with saying "good game", or something to that effect. Let's all stay safe.
