### Brian Skapura

As some of you may know, our family got a little smaller this weekend. Brian Skapura passed away on Sunday. He was an avid darter and was willing to help anyone who wanted it. There will be a celebration of life on Saturday March 6th at 2 pm at First Break. There will be 2 LOD's following to help the family. Flyer attached.

### WADA Town Hall

Do you have ideas, questions, or concerns??? Join us for an online town hall event via zoom on on March 13th. Flyer attached for this as well. VA shooters jump on at 4 pm, online shooters at 4:30, DC at 5, and MD at 5:30. The times are approximate after the initial start time. The zoom link will be up on WADA's website and FB page no later than Wed March 10th at 7pm. If you have something you would like discussed, but are unable to attend, please email [director@wadadarts.org](mailto:director@wadadarts.org) and we will discuss them.

### Etiquette as we play at home

**We have had more issues arise, and wanted to emphasize this again.** As you play at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. Please make sure that you throw your darts in a timely fashion. Please try not to take actual minutes between each dart. If you need a break between sets, please let your opponent know and do your best to be brief. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. One last thing, it is helpful to check with your opponent before your match begins to ensure that they have a clear view of your board.

### Make Up Matches

The list of make up matches through week 7 is on the next page. I will keep this list updated week to week. If you see your name and have played the match listed, please forward me the recap email.

### Etiquette as we play at establishments again

As we are starting to play in our sponsor bars once again, please make sure that you are following all state and local ordinances in relation to facemasks and social distancing. Also, please be aware that not all people are going to be comfortable with fistbumps, etc. I would recommend beginning your set and/or leg by simply saying "shoot well" and end with saying "good game", or something to that effect. Let's all stay safe.
