Article III Membership:

Communication with Board Members and Officers: If a member of WADA needs to contact any board member or Officer regarding non-urgent details, they are to use the email and/or phone number contact information provided on the WADA website and here within: board@wadadarts.org, officers@wadadarts.org. Specific members contact is on the website. If immediate game play is affected, please contact the director at: 877-476-0661, or email director@wadadarts.org or board.chairman@wadadarts.org.

Make Up Matches

The list of make up matches through week 9 is on the next page. There are A LOT of make up matches owed!! If you see your name and have played the match listed, please forward me the recap email. All Make-up matches **MUST** be done before April 6th. Matches not completed will be put in as forfeits!

Etiquette as we play at home

We have had more issues arise, and wanted to emphasize this again. As you play at home, please be aware of a few things. First, there may be children around, so be mindful in what you say. Please make sure that you throw your darts in a timely fashion. Please try not to take actual minutes between each dart. If you need a break between sets, please let your opponent know and do your best to be brief. A lot of players like to have music playing in the background, but please try not to have the mic for your camera set up right next to the speaker for your music. One last thing, it is helpful to check with your opponent before your match begins to ensure that they have a clear view of your board.

Etiquette as we play at establishments again

As we are starting to play in our sponsor bars once again, please make sure that you are following all state and local ordinances in relation to facemasks and social distancing. Also, please be aware that not all people are going to be comfortable with fistbumps, etc. I would recommend beginning your set and/or leg by simply saying "shoot well" and end with saying "good game", or something to that effect. Let's all stay safe.
